

JOIN THE NEW MENA CHAPTER OF THE AQUACULTURE ENGINEERING SOCIETY (AES-MENA)

AES-MENA CHAPTER

WE ARE EXCITED TO ANNOUNCE THE LAUNCH OF THE MENA CHAPTER OF THE AQUACULTURE ENGINEERING SOCIETY (AES-MENA), UNDER THE LEADERSHIP OF PROF. MICHAEL BEN TIMMONS, PROFESSOR EMERITUS AT CORNELL UNIVERSITY AND PRESIDENT OF AES, INTERNATIONAL, AND IN COOPERATION WITH "SUSTAINABILITY BUSINESS SOLUTIONS - ECOSUS" AT ITS MAIN BRANCH IN THE KINGDOM OF SAUDI ARABIA. THE AES-MENA CHAPTER SEEKS TO CONNECT PROFESSIONALS, FARMERS, SCIENTISTS, GRADUATES, AND INDUSTRY LEADERS IN ADVANCED AQUACULTURE PROJECTS TO PROMOTE ENGINEERING SOLUTIONS, ENHANCE COLLABORATION, AND SUPPORT SUSTAINABLE AQUACULTURE DEVELOPMENT IN MENA.

WHY BECOME A MEMBER OF THE AES-MENA CHAPTER?

- **Network Globally:** Connect with a worldwide community of aquaculture professionals and thought leaders.
- **Stay Informed:** Access cutting-edge research, innovations, and technologies in aquaculture engineering.
- **Collaborate on Sustainability:** Engage in projects that promote sustainable aquaculture practices.
- **Exclusive Opportunities:** Participate in specialized workshops, training programs, and seminars.
- **Professional Growth:** Enhance your career and make a significant impact in the aquaculture sector.
- **Local Focus:** Benefit from a professional engineering aquaculture society that is more attuned to the specific needs of your country, providing localized support and resources.

WHO CAN JOIN?

- **Aquaculture Farmers:** Boost farm productivity with innovative engineering solutions.
- **Farm Engineers and Aquaculture Scientists:** Collaborate on pioneering research and development projects.
- **Corporate Entities:** Strengthen industry partnerships and drive impactful growth.
- **Graduates in Fisheries Science and Fisheries Engineering:** Contribute to the field with your expertise

HOW TO JOIN?

- **Be Among the First:** Join the initial 100 individual members and 10 corporate members to help shape the future of aquaculture in MENA!
- **Free Membership:** Individual memberships are complimentary for a limited time.
- **Affordable Membership Options:** Don't miss this incredible opportunity!
